EASY
INSTALLATION

Work smarter, not harder

PUSH-TEC

The no fuss, easy to install range of plumbing fittings for busy plumbers

- Push together in two simple steps
- Quick and easy installation
- No messy glues required
- Extensive range
- WaterMark approved

WORK SMARTER, NOT HARDER

As Australia's leading designer and wholesale distributor of innovative plumbing solutions, we are proud to bring to you the newest range of reliable and easy to use PVC plumbing fittings... *Push-Tec*.

Push-Tec products are quick and easy to install with just two simple steps, and no messy glues required!

TWO STEP INSTALLATION

STEP ONE:

Simply de-bur and bevel the end of your pipe.

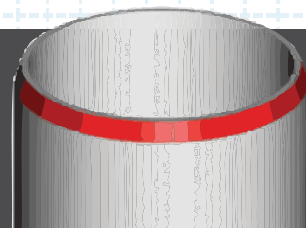

STEP TWO:

Then push the pipe into the *Push-Tec* fitting until you connect with the positive stop.

Push-Tec fittings can easily be disconnected at any time during their lifetime for cleaning and maintenance.

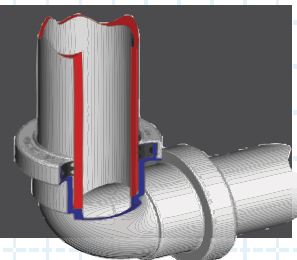

STEP 1.

De-bur and bevel pipe ends

STEP 2.

Push pipe into *Push-Tec* fitting until you connect with the positive stop
